### Principal's Message

Hello Bauder families,

Can you believe it's already been a month since we came back from the winter break? We've had time to settle back into routines. Our teaching staff have also had time to reflect on students' progress and make adjustments to instruction. We are really pleased with the growth our youngest learners have been making in literacy. We hope you are seeing the evidence of this at home as well. It's so exciting as they become confident, independent readers. Providing them with a dedicated time and place to practice reading each night will help them continue their upward trajectory. And, of course, being read to is super important as well. Children who are read to at least three times a week by a family member are almost twice as likely to score in the top 25% in reading compared to children who are read to less than 3 times a week. \*Not only does it help your child in school, but it's also just a wonderful way to spend quality time together and bond. These days, children have so much access to devices for entertainment, sometimes it's hard to pull them away, but it's very much worth the effort. Find some time to cuddle up and read together!

Sincerely,  
Stephen Boese  
Principal

## PBIS Teach To's

PBIS Teach To's are taught to students two times a year. PBIS Teach To's help students know the expected behavior in each location in our school, classrooms, the cafeteria, bathrooms, the library, bus line and hallways. 5<sup>th</sup> grade students did a fabulous job of sharing the expected behaviors to the younger students.

## Encore Night

A highlight of Bauder's year is the 4<sup>th</sup> and 5<sup>th</sup> Grade Encore Night performance which showcases students' education in Music, Art, Technology, and P.E. within the same evening event. This year the theme was *Musica Pacifica*. 4<sup>th</sup> and 5<sup>th</sup> grade students took us on a trip around the *Ring of Fire*, visiting the countries of the Pacific Rim. We were entertained with dances, songs, skits and more. Thank you to the 4<sup>th</sup> and 5<sup>th</sup> grade students, Mrs. Crawford, Mrs. Franklin, Mrs. Newman and Mrs. McNeil for all of your hard work. (Pictures are from dress rehearsal.)

## Kindergarten Registration for 2023-2024 School Year

Kindergarten is an exciting and important first step on your student's educational journey. In PSD, you'll find students are supported in many ways with caring teachers and staff, positive school and classroom culture, as well as a collaborative, safe and welcoming learning environment.

**Eligibility:** Children must be **5 years old on or before Oct. 1, 2022** ([Superintendent's Policy JEB](#)) to be registered for kindergarten in the 2022-23 school year.

**Cost:** Kindergarten in PSD is free!

- In-person registration is also available for families at neighborhood elementary schools starting **Dec. 7**. Contact your student's neighborhood school for school hours.

## 2 Hour Delay Schedule

When PSD calls a 2 hour delay due to weather our school daily schedule changes. There is no breakfast served on these days. Students cannot be on the school grounds until 10:35am, as there is no staff supervision. School starts at 10:50am. The end of the day dismissal time is 3:28pm, just like any other school day.

## Lifetouch yearbooks

It is that time of year already. We will be using Lifetouch for our Bauder yearbook. The cost this year will be \$15.00. The yearbooks will arrive in May. You may order the yearbook online at <https://YBPay.lifetouch.com>. The Bauder yearbook ID is #14474323

## End of School Day Messages & Early Student Pick Up Requests

We understand that plans may change, and you may need to communicate the changes with your student. We ask that you make those requests prior to 3:00 pm to give us time to make the calls to the appropriate classrooms. We also ask that when you have an appointment, that you arrive a few minutes early for the time you need to pick up your student. Students are often in an Encore class or at recess and it may take a few minutes to get your student to the office for pick up. Please remember when picking up that there is no parking along the front curb due to bussing.

### American Heart Association Kids Heart Challenge

We are teaming up with the American Heart Association to promote heart healthy activities for your student. There will be daily challenges for your student to complete. Please see the flyer your student will bring home for more information on how your student and family can join and start becoming heart healthy.
