Principal's Message

Dear Bauder families,

Here we are in November already. This year is flying by. With Thanksgiving coming up soon, I would like to take a moment to tell you some of the many things I am thankful for.

First, I want to give thanks to our amazing Parent Teacher Organization. They organized a fantastic fund-raising event at the end of September that the students loved. You probably heard about students getting to duct tape me to the wall for reaching our fundraising goal. I was happy to do it, as those funds help pay for the things that students really look forward to like field trips, assemblies, and playground equipment.

I am also thankful to have such an amazing and dedicated staff here at Bauder. Teachers are really going above and beyond with the time they put in to figure out how to best meet each child's individual needs. As I walk around the building, I see students doing fantastic work from 4th and 5th graders writing impressive literary essays to younger students picking up early literacy skills at an amazing pace.

Next, I am thankful that we had such a good turnout at our Parent Teacher Conferences in October. Collaboration between home and school is crucial and those face-to-face conversations go a long way in helping us all be on the same page to support students. I am also thankful every time I see so many parents showing up for events like student celebrations, Donuts with Dear Ones, field trips, our Kindness Week Community Event (where we showed the movie, Paddington 2, this year) and last week's Halloween parade. We strive to be an inclusive community here at Bauder where all students and families feel valued and cared for. We hope that all family members feel comfortable and welcome here and it makes me so glad when I see parents here in the building.

Finally, I am thankful each and every day for the warm greetings I receive from students. I feel so lucky when smiling, little faces run up to give me a hug each morning. How many jobs can you do where you get a welcoming committee like that? Thank you for having such kind, friendly, and welcoming children.

I encourage you to spend some time this Thanksgiving season talking with your children about what you are grateful for and asking them to reflect on what they are grateful for. Many studies have found that practicing gratitude can positively affect both mental and physical health.

Sincerely,
Stephen Boese

Student Conferences

Thank you to all the parents and guardians who took the time to attend our recent Parent-teacher conferences. It was wonderful to see our classrooms filled with meaningful conversations, shared goals, and proud moments.

We absolutely love sitting down with you to share all the awesome things your kids are accomplishing and to team up on ways to support them. Our school community is so much stronger because of your involvement and enthusiasm—we couldn't do this without you!

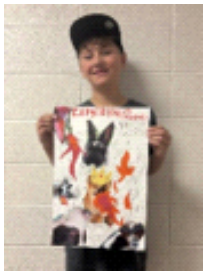

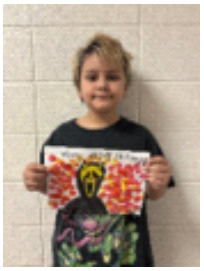

If you thought of a question after you left, or if you missed your conference time slot, don't worry. Just shoot your child's teacher a quick email or message them through the school app to set up a time to chat.

Thanks again for your partnership, your energy, and everything you do for our school!

Artist of the Week

Hello! My name is Ms. Svendsen, and I am the art teacher at Bauder. Every week, I feature one artist as 'Artist of the Week'. I am looking for students who have a creative approach to artmaking, or who spend a lot of time and effort on their art. I do this to spotlight the hard work of unique artists in our school community. Congratulations to our September & October artists of the week: Ermias S., Nadia A., Karizzma S., Murphy J., & Marcellus D.

Bauder Walkathon

Thank you to everyone who participated in this year's Walk-a-Thon Fundraiser. It was great to see so many Bauder community members at the event to cheer on our Bucks. The weather was perfect and the day was full of smiles. Classes with the most School Spirit won a pizza party! We raised just over $20,400 in online donations, which earned a Bounce House at Field Day, a recess with CSU Hockey players, and the chance for students to duct-tape Mr. Boese to the wall! These funds will support classroom subscriptions, field trips, Caroling and Cocoa, Spring Community Night, class parties, Battle of the Books, Run Club, teacher appreciation, and more! Classes with the most online and coin jar donations won an extra Gaga Ball recess and an Ice Cream party! PTO would love your ideas for what else we could put the money toward to make our kids' time at Bauder more memorable. If you have ideas or would like to join the PTO team in any capacity, email us at bauderpto@gmail.com.

School Start and Dismissal Times

The start time for Bauder is 9:05am and the dismissal time is 3:43pm. Students will be allowed to be on the playground at 8:45am. Breakfast will be served starting at 8:45-9:00am. Please do not send students to school before 8:45am as there is no supervision.

Changes in student pick up plans

If you need to make changes to your students' after-school plans, we are asking that you call the office before 3:00pm. Our office is extremely busy at the end of the day. There are many classroom activities and changes in schedules that make it difficult to convey the changes to students. You can help your students feel confident by sharing the after-school plan with them in the morning.

Safety reminder

Please follow all traffic laws and be considerate of our neighbors when parking on Fuqua and Lake streets to drop your students off and pick them up.

ParentVUE Changes 26-27

Each school year, when you sign in to your ParentVUE account, you will be asked to review, download, and accept several required documents before you can access your student's information. Starting this year, you will need your ParentVue account to give fieldtrip permission and to pick up your student early. Please download the new ParentVue app as it streamlines the process. The icon is purple with a white symbol.

While you're logged in, please take a moment to review your contact information. If your phone number, email address, home address, or emergency contact information has changed, you can easily update it through ParentVUE to ensure you continue receiving important school communications.

If you need assistance logging in or updating your information, please contact the school office—we're happy to help. If you are updating your home address, please provide proof of residency to Becky Kissler.

Thank you for helping us keep your family's information accurate and up to date!

Visitors and Volunteers

We use the Raptor Management system to check ALL visitors and volunteers into our school building. If you are coming to volunteer or visit during school hours you must bring in your physical driver's license, passport, or state offered ID to go beyond the office. You are welcome to come and have lunch with your students.

We are blessed to have an amazing group of volunteers at Bauder. If you are interested in being a volunteer, you will need to register on the district website and be approved before volunteering. You will be sent an email from the district once your background check has been completed. Reach out to your classroom teacher for volunteer opportunities in your student's classroom. PTO also has many opportunities to volunteer.

KioskVue Student Pick up

We will continue to use the KioskVue app when dismissing students during the school day for appointments or early dismissal. Each parent will need to have their own ParentVue account set up. To make the process quicker during pick up, please download the ParentVue app. The ParentVue app has a QR code which you will scan at the Kiosk when you are in the office. You may also want to screenshot the QR code for ease as our internet coverage is spotty. They have updated the ParentVue app over the summer, so please make sure to have the current version downloaded. It is the purple and white logo. Please feel free to reach out if you are having trouble setting up your Parentvue account or if you need the activation key.
