Principal's Message

Dear Bauder families,

Here we are in November already. This year is flying by. With Thanksgiving coming up soon, I would like to take a moment to tell you some of the many things I am thankful for. First, I want to give thanks to our amazing Parent Teacher

Organization. They organized a fantastic fund-raising event in September that the students loved and that exceeded our fundraising goals. You may have seen Lucky the Buck and me having a dance off on the roof as part of the fundraiser wrap up celebration. Yes, I was the one in the chicken suit. I was happy to do it, as those funds help pay for the things that students really look forward to like field trips, assemblies, playground equipment, and exciting technology subscriptions. I am also thankful to have such an amazing and dedicated staff here at Bauder. Teachers are really going above and beyond with the time they put in to figure out how to best meet each child's individual needs. As I walk around the building, I am seeing students doing fantastic work from 4th and 5th graders writing impressive literary essays to younger students picking up early literacy skills at an amazing pace. Next, I am thankful that we had such a good turnout at our Parent Teacher Conferences last month. Collaboration between home and school is crucial and those face-to-face conversations go a long way in helping us all be on the same page to support students. I am also thankful every time I see so many parents showing up for events like student celebrations, stay and plays, Donuts with Dear Ones, field trips, our Kindness Week Community Event (where we showed Inside Out 2) and the Halloween parade. We strive to be an inclusive community here at Bauder where all students and families feel valued and cared for. We hope that all family members feel comfortable and welcome here and it makes me so glad when I see parents here in the building. Finally, I am thankful each and every day for the warm greetings I receive from students. I feel so lucky when smiling, little faces run up to give me a hug each morning. How many jobs can you do where you get a welcoming committee like that? Thank you for having such kind, friendly, and welcoming children. I encourage you to spend some time this Thanksgiving season talking with your children about what you are grateful for and asking them to reflect on what they are grateful for. Many studies have found that practicing gratitude can positively affect both mental and physical health.

Have a wonderful Thanksgiving,
Stephen Boese

Kindness Community Event

On Thursday, October 10th we held our Kindness Community event. We watched the movie Inside Out 2 under the stars on our east field. We enjoyed popcorn and the Waffle lab food truck. It was great to see students and families getting to know each other.

Artist of the Week

Hello! My name is Ms. Svendsen, and I am the new art teacher at Bauder. Every week, I feature one artist as 'Artist of the Week'. I look for students who have a creative approach to artmaking, or who spend a lot of time and effort on their art. I do this to spotlight the hard work of unique artists in our school community. Congratulations to our October artists: Jayce L. Holden L., Foster B., Brophy E., Joni H., Nada H. & Logan R.

4th & 5th Grade Enrichment Music Concert

This first concert of the year not only celebrated the talent of Bauder Elementary's choir but also fostered a sense of community and support among students, parents, and faculty. As the evening concluded, it was clear that this was just the beginning of this year's musical journey. The kids have done an outstanding job with learning how to be in a choir, and we are excited about the rest of the school-year's musical adventures!
