

Drop Off and Pick Up Sites

- A. This is our **main drop off and pick up** location for students (see map below). The area can get congested particularly when picking up students at the end of the day, so we offer three other options (B, C, D). Please remember to stay in your car when picking up students unless you are parking and walking out of your car to retrieve your child. Be aware that at the end of the day there is only a right hand turn allowed out of the lot.
- B. This is the **Fuqua** location. Either side of the street is available for dropping off or picking up students. There is a crossing guard located at Prospect – at the yellow dotted line.
- C. This is the **Hampshire** location. We recommend dropping off and picking up on the west side of the street. Students walk up or down the hill (yellow dotted line) to an opening in the fence. There is staff located on the sidewalk in the parking lot.
- D. This is the **Coventry** location. Either side of the street is available, though we ask that you respect our neighbors' driveways and not block them. Students walk up and down the sidewalk to and from the school (yellow dotted line). Staff is on duty at the crosswalk to assist students.
